

Hummers Delight:

A Brief Look at the Lifestyle of the World's Smallest Birds

Hummingbirds have adapted a multitude of traits that make them both endearing and unusual. We know they fly backwards, for example, but did you know they can't stand on their own two

feet? Bay Area naturalist Leanne

Grossman will offer more fascinating facts and photos of these unique avian creatures.

Presenter: Leanne Grossman

When: Wed, March 21, 7 p.m.

Where: Dimond Library,
3565 Fruitvale Ave., Oakland CA 94602
